

# Personal Vision & Planning Worksheet

Fraternity or Sorority (Target Area): \_\_\_\_\_

## VISION

1. What burdens are on your heart as you look at your fraternity or sorority? What troubles you about your brothers/sisters or as a whole chapter?
  
2. If you had an unlimited amount of time, money, and people to change the spiritual direction of your fraternity/sorority, what would you do?

## PLANNING

1. After thinking about your vision, what are some practical things that you can do to have a bigger spiritual influence on your fraternity/sorority?
  
3. What are all the possible Evangelistic strategies that would be appropriate for your fraternity or sorority? (sharing your testimony/story, Quest survey, 4 Spiritual Laws, spiritual discussion group, bible study, going out for coffee, inviting a friend to church, etc...)
  
4. Describe your Plan of Action: (what will you do, when, who needs to help, what tools or resources do you need, where will it take place, etc.)
  
5. List 3-5 brothers/sisters you can start to pray for:
  
6. List at least 3-5 days out of the week and a time during those days to meet with God (read your bible and pray). *Remember, your spiritual impact on others is proportional to your growing relationship with God. The purpose of this question is not to be legalistic, but to help you be intentional.*
