

“Beer is proof that God loves us  
and wants us to be happy.”

-Benjamin Franklin

Though old Ben’s premise may be debated, his conclusion is undeniable. The world is full of things that aren’t necessary or pragmatic, just good.

The joy of poetry, art, music, love, sex, eating and humor don’t seem to point to survival of the fittest, or random mutations, but beyond, to a God who is not only omnipotent, but happy. A God who is good and created us to enjoy life, the world and Him.

Given that Jesus gave His life for you, maybe *He’s* the proof that God loves you and wants you to be happy.
